

Shorthorn Association News

February 1962

Dear Shorthorn and Polled Shorthorn Breeder:

At a recent meeting, the Board of Directors decided that our office issue a monthly newsletter to bring more Shorthorn information to our breeders.

We in the office will gain much experience from publishing this first newsletter and hope we will improve with time.

We welcome help from each of you with your criticisms and suggestions as to what you are interested in reading. We also welcome news items about you or your herd that you feel would be of interest to other breeders.

Let us hear from you --- address your correspondence regarding this letter to our address: American Shorthorn Association, Livestock Exchange Building, Omaha 7, Nebraska, Attention: Paul J. Hamilton.

SMART ADVICE

Farmer: "This cow here has spells when she can't get up
for a day or two. What should I do?"
Vet: "Next time she gets up, why don't you sell her?"
--GULF COAST CATTLEMAN

WELL EDUCATED

There were two sheep grazing in a meadow.
"Baa-aa-aaa," said the first sheep.
"Mooooo," said the second sheep.
Said the first sheep, "What do you mean, Mooooo?"
Said the second sheep, "I'm studying a foreign language."

SHOW REPORTS

1962 SOUTHWESTERN LIVESTOCK EXPOSITION

Shorthorns scored the Reserve Grand Champion Steer award in the Junior Show at the 1962 Southwestern Livestock Exposition, Fort Worth, Texas. This Junior Show, closed to out-of-state exhibitors, contained 40 head of Shorthorn steers.

This steer, shown by Nelma Jane Duren, Mullin, Texas, was a solid red, very trim, 900 pound senior calf that Judge Burr Ross made Champion of the breed and Reserve Grand Champion of the Show. He called him "very trim, extremely smooth and uniformly covered from end to end."

It is noteworthy that this steer is a full brother to last year's breed champion of the Junior Show. He was bred by Marvin Lee, Comanche, Texas, and sired by a son of Kirkton Golden Star.
